Questions for Reflection

Practice drawing and labelling our basic diagram to illustrate the Four Dimensions. (Remember P-I-E-S.)

Reflecting on the last time you had a significant talk, presentation, or conversation . . . What did you do to prepare for it? How much of this preparation was about knowing? How much was about doing? How much was simply about your presence (being)?

What have your four dimensions communicated about you as you have interacted with others in the past twenty-four hours?
