

# LIKE YOU WERE MEANT TO

## *Reading Guide | Chapter 4: The Intellectual Dimension*

---

### Questions for Reflection

What are some recent examples where you were thinking on autopilot?

---

---

---

When does thinking on autopilot help your leadership? When does autopilot thinking degrade your leadership?

---

---

---

How do you currently manage yourself to do your best, most creative thinking as a leader?

---

---

---

Overall, what changes do you need to make to better manage your intellectual dimension?

---
